Darn! I just re-read your email and realized I got it wrong—I changed the rights at the library level, not at the folder level!

Good thing I took screen captures—I will reinstate the permissions at the library level now. Will let you know when I'm done. . . .

Hi Janice,

Thank you for taking care of this. I will write more tomorrow.

I wasn't working continuously until then yesterday. I told Nuria I would make her a folder with special privileges and I couldn't figure it out before I went out last night. Thus, I tried again when I got home, with no luck. ☹

Have a Happy Thanksgiving,  
Jenny
